**Gift of Hope Organ & Tissue Donor Network** is proud to serve as the federally designated not-for-profit organ procurement organization (OPO) that coordinates organ and tissue donation and services to families of donors in the northern three-quarters of Illinois and northwest Indiana. Since its inception in 1986, Gift of Hope has coordinated donations that have saved the lives of more than 14,000 organ transplant recipients, and improved the lives of hundreds of thousands of tissue transplant recipients. As one of 58 OPOs that make up the nation's organ donation system, Gift of Hope works with 179 hospitals and serves 12 million residents in its donation service area.
