

Get social during National Donate Life Month!

Share your stories, photos and the National Donate Life Month message on social media throughout April!

Use the **#SayYestoDonation** hashtag and tag **@GiftofHope** so we can see your message!

Please feel free to use the social media copy below throughout the month when showing your support for organ, eye and tissue donation.

Social Copy 1:

April is National #DonateLifeMonth! Gift of Hope along with communities across America are honoring donor heroes and their families, and bringing attention to the life-giving gift of organ, eye and tissue donation to inspire 30,000 people to join the donor registry in Illinois and northwest Indiana.

One person could save up to eight lives as an organ donor, heal more than 25 people as a tissue donor and help restore sight for two people.

Learn more and #SayYestoDonation at giftofhope.org.

Social Copy 2:

There are more than 104,000 people on the national transplant waitlist waiting for a life-saving miracle. More than 5,000 of those people are Illinois and Indiana residents. During National #DonateLifeMonth Gift of Hope is honoring donor heroes and bringing attention to the life-giving gift of organ, eye and tissue donation to inspire people to #SayYestoDonation and join the donor registry.

Learn more about donation and register your decision as a donor at giftofhope.org.

Social Copy 3:

95% of people support organ and tissue donation, but fewer than 60% are registered donors.

Throughout National #DonateLifeMonth in April, Gift of Hope is encouraging anyone who has not registered as a donor in Illinois and northwest Indiana to learn more about the life-saving gift of donation, register as a donor and talk with their family about their decision.

Learn more and register your decision as a donor at giftofhope.org.
